**Patient Waiver - NAME** \_\_\_\_\_

All patients are responsible for providing a current (written within 6 months) referral or prescription from an authorized provider before their massage appointment. If your car insurance company and/or LNI denies payment because they have no current referral/prescription on file, the patient (you) are responsible for the charges in full to Advanced Medical Massage.

All claims and MVA/LNI insurance benefits must be massage treatment approved and billable. LNI and MVA claims must be opened and approved for treatment. If your claim is not currently open, you understand you may be responsible for services rendered.

\*Please note - if your auto or work injury insurance rejects a claim, we do not bill health insurance in an attempt to cover any claims.

I have read the above and been informed that I may be responsible for the payment in full for today's appointment.
